## Wireframes for Resume Page

A vertical wireframe for a mobile portrait layout. It features a header section with three horizontal lines, followed by three body sections, each consisting of a short header line and two longer content lines. At the bottom is a footer bar with four items: Contact, Resume, PP, and Projects.

Contact | Resume | PP | Projects

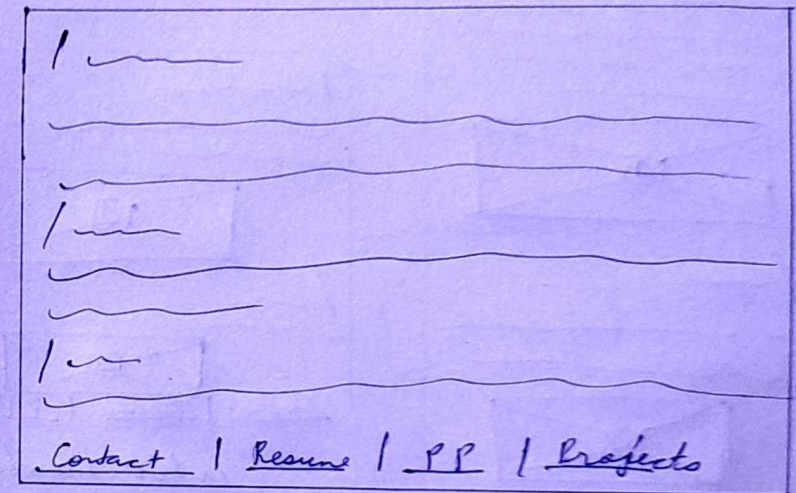

Mobile Portrait

A horizontal wireframe for a mobile landscape layout. It features a header section with three horizontal lines, followed by three body sections, each consisting of a short header line and two longer content lines. At the bottom is a footer bar with four items: Contact, Resume, PP, and Projects.

Contact | Resume | PP | Projects

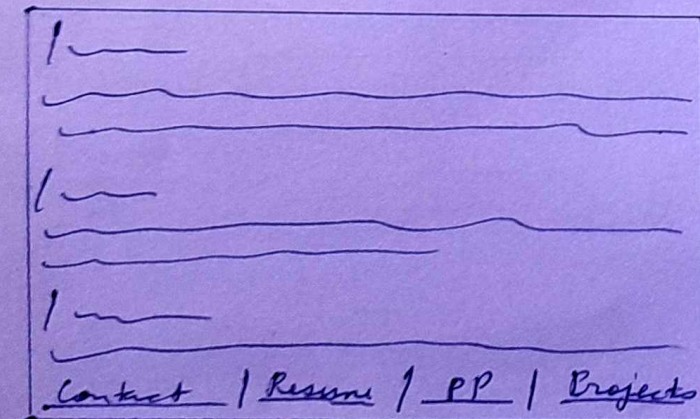

Mobile Landscape

A wide horizontal wireframe for desktop or laptop layouts. It features a header section with three horizontal lines, followed by three body sections, each consisting of a short header line and two longer content lines. At the bottom is a footer bar with four items: Contact, Resume, PP, and Projects.

Contact | Resume | PP | Projects

Desktop | Laptop

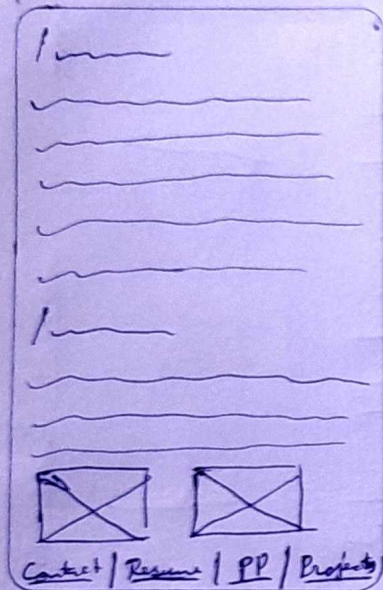

A horizontal wireframe for a tablet layout. It features a header section with three horizontal lines, followed by three body sections, each consisting of a short header line and two longer content lines. At the bottom is a footer bar with four items: Contact, Resume, PP, and Projects.
